THE HARVEST:

The 2015 harvest was sourced from selected grapes grown on two separate vineyards on Georges Road in the Waipara Valley. The fruit was of excellent quality and hand-picked from both sites.

THE WINE:

Matured for 18 months in French oak barriques (40% new), the wine is finely scented, supple and generous with good depth of colour. It is a very harmonious wine, with vibrant cherry, plum, and spice flavours and a mouthfilling well-rounded finish. A whole bunch component of 15% has enhanced the flavours and complexity of the wine which will only get better with age.
